

# DUNE MK3

RGBW

## DESCRIPTION

The DUNE MK3 is a high-performance IP68-rated LED up-lighter designed for outdoor recessed applications. This versatile fixture boasts a clever beam angle adjustment feature, making it perfect for spot lighting, wall grazing, and wall washing effects. A range of color temperatures spanning RGBW30K or 40K, tunable white, or static white are available with smooth and even light distribution. Crafted from AISI 316L stainless steel, the fixture can handle a deadweight load of over 4000 pounds, making it suitable for in-ground installations, including vehicular areas.
