

DESCRIPTION

Designed to elevate landscapes and architectural features in both residential and commercial spaces, MOON BOLLARD is an advanced LED luminaire offering nuanced accent lighting to evoke emotions through soft lighting effects. This adaptable luminaire provides decorative and functional lighting, ideal for paths, gardens, and architectural elements in various settings. With five finish options, a brass swivel, and sleek installation, it's a versatile choice. Additional versions provide design flexibility, while various optics create diverse visual effects. The external power supply enables easy management of multiple units.
